The Inspector General of Police states in his letter no. 6458^x dated 25th April 1904 that the following provisions are required for the construction and repairs of Police buildings:-

Construction : 20,500. Of this, provision for Rs 10,500 is said to have been already made in the D.P.W. Budget and provision for Rs 10,000 is still to be made in the D.P.W. Budget.

Repairs Rs 10,000 for repairs to all the Police Stations in the Bangalore City & Rs 10,000 for the repairs of outlying Stations in Districts. A note is made that the latter amount can be met from deduction from the Dy. Commissioner's "Maramat" Budgets, as these repairs to all Police Stations should be carried out departmentally.

So, for the ~~Rs~~ repairs of Police buildings Rs 20,000 is to be provided in the budget. As Rs 5,000 has already been provided the additional sum to be provided is Rs 15,000.

With the above modifications, the expenditure for 1904-05 will be as follows: _____

The normal provision for repair of Police buildings is, I believe, Rs 5000. The DGL for reasons explained by him asks for Rs 10000 over and above the 10000 Rs. to be met by deduction from the Dy Commissioner's Budget. That being so, I don't quite see why 20000 Rs. should be provided for in this Budget instead of 10000 Rs. - I would make a reduction accordingly unless it is intended that the Dy Commissioner's Budgets by which I presume is meant grants to Dy Commissioner from the D. H. Budget, should be ~~reduced~~ ^{reduced} proportionately.

In regard to the other items as revised by the Secretariat in consultation with the Dy Commissioner I have no remarks to offer.

The Inspector General states that under "Construction", a sum of Rs 10500 has been ~~made~~ already made in the D.P.W. Budget ^{for 1904-05} for certain works and that in addition

addition to this a sum of Rs 10,000 should be provided for in the same budget for certain other works which have been proposed by the Suptg Engineers.

2. Under "repairs", a sum of Rs 10,000 will have to be sanctioned for improvements of all Police stations in the Bangalore and Mysore Cities, and another sum of Rs 10,000 for the repairs of the outlying stations. The latter ^{is said to} does not require an ~~ad hoc~~ grant, but can be met by deduction from Dy Commr's maramat budget.

3. He further requests that all the repairs to police buildings & the construction of Police lines in Districts (excluding Reserve and Pukka lines) ~~shall~~ may be ordered to be carried out departmentally and not through the Revenue Deptt under head "Maramat" or by the P.W. Deptt. This course, he says, is followed in Madras & has been found out to work excellently.

Sir,

With reference to your No. FL 2789 dated 9-4-1904 pointing out certain discrepancies in the Budget for 1904-05, I have the honor to state

as follows:-

2. The provision for 1903-04 under (3) District Police

Force including that of the Bowringpet taluk is Rs 4,71,108 but not Rs 4,70,880 as noted in the margin. The difference namely Rs 228 is accounted for as shown below:-

(a) The number of second grade Jamedars is 62 including the men in the Bowringpet Taluk and not 61 as noted in the Budget for 1903-04. The amount to be included in the Budget on this account is Rs 240/-.

(b) The number of second grade Daffedars is 155 and not 156 as shown in the Budget for 1903-04 and the number of such Daffedars for the Bowringpet

is

Exclusive of the Strength and Bowringpet Taluk cost of the strength and cost of Bowringpet District for 03-04 Taluk Police for 1903-04.

is only two not three as noted in the Budget. The excess amount shown on this account is ₹168/-.

(c) The number of 1st class constables is 1045 not 1060 as shown in the Budget, the number of such constables at Bowringpet being only 15 instead of 30. The excess amount on this account is ₹1440.

(d) The number of 2nd class constables is 3077 not 3058 as shown in the Budget, the Taluk of Bowringpet having 29 such constables instead of 10 shown in the Budget. The amount to be provided for is ₹1596/-.

(3) Now referring to the excess it is not ₹300 as noted in the docket under reply but ₹756/- as shown below:-

Office of the

Inspector General of Police in Mysore.

Dated Bangalore, 21st April 1904.

From,

F.E.C. Carr Esquire.,

Inspector General of Police in Mysore.

To,

L. Anantasami Rao Esquire.,

Offg. Secretary to the Government of His Highness

the Maharaja of Mysore in the General and Revenue

Departments.

Sir,

In accordance with Governement order No. Fl 2771-2 dated the 8th April 1904, authorizing me to insert in the Police Budget for the next official year, provision for the construction and repairs of Police buildings, I have the honor to make the following suggestions:-

1. Construction.

(a) Under this head provision appears to have been already made in the D.P.W. Budget for the following works:-

- | | | |
|----|--|-----------|
| 1. | Improvements to the Bangalore Special Reserve Lines | Rs 6500 |
| 2. | Police Station and Lines at Bilchode, Chitaldroog District | 1500 |
| 3. | Police Station and Lines at Talkad | 2500 |
| | Total | Rs 10,500 |

(b) In addition to this, the following works proposed by Superintending Engineers have also to be provided for in the Budget for 1904-05, viz:-

Fl 19205/1628.
1903-04 5/6/04
From,

The Inspector General of Police

To,

in the Genl. and Rev. Deptt.

Dated 21st

Despatched 25 April 1904.

Enclosure No.

Suggestions re the insertion
in the Police Budget for the next
Official year, provision for the
construction and repairs of Police
buildings .

Jul
26 6 11

1.	Police Station and Lines at Tyamagondlu	Rs 4000
2.	Police Station and Lines at Saligram	1000
3.	Police Stations and Lines at Belagola	2000
4.	Police Lines at Thirthally	3000
		Total Rs 10,000

2. Repairs.

(a) A sum of Rs 10,000/- will have to be sanctioned for repairs and improvements of all Police Stations in the Cities of Bangalore and Mysore.

Note. All the Police Stations in the Bangalore City, require urgent and considerable repairs; the District Police Office and ~~the~~ Central City Station being in an absolutely dangerous condition.

(b). A sum of Rs 10,000/- at least should be sanctioned for the repairs of outlying Stations in Districts.

Note. This latter amount can be met from deduction from the Deputy Commissioners' "Maramat" Budgets, as these repairs to all Police Stations should be carried out departmentally.

II. A consolidated list showing what repairs are necessary to existing buildings in Districts has already been submitted to the Chief Engineer; but if the Government agree to these repairs being carried out departmentally, the list will require careful revision to bring the total cost of repairs within the amount proposed, viz. Rs 10,000/-

iii. In ^a ~~the~~ Memorandum, which I have had the honor to submit to the Dewan, I have suggested that the carrying out of all repairs to Police buildings, and the construction of Police Lines in Districts (excluding Reserve and "pucka" Lines) should be carried out departmentally- and

not

not through the Revenue Department under head "Maramat",
or by the P.W. Department.

IV. This course is always followed in the Madras Presidency
and has been found to work excellently.

V. The present arrangement whereby the repair of all
Police buildings is left entirely in the hands of ~~the~~
Deputy Commissioners, has resulted, I regret to say, in
almost universal neglect of all Police requirements; except
in those cases where Deputy Commissioners have taken some
interest in the matter; and have been able to spare a few
rupees, from what ^{key} ~~Deputy Commissioners~~ naturally consider
the more pressing needs of the Revenue Department.

I have the honor to be,

Sir,

Your most obedient servant,

Inspector General of Police.
